

## PERMANENT FUNDS

### MICHIGAN NATURAL RESOURCES TRUST FUND

The State Constitution was amended in 1984 to provide for the Michigan Natural Resources Trust Fund. The fund, established in 1985, operates under Part 19 of P.A. 451 of 1994, as amended. Most rentals, royalties, and other revenues derived from mineral, coal, oil, and gas interests on State-owned land are credited to the fund. Public Act 451 of 1994 directs a portion (50%, up to \$10 million per year) of these revenues to the Michigan State Parks Endowment Fund. The voters approved a constitutional amendment in August 2002, which increased the amount that can be accumulated to \$500 million, modified the distribution formula, and allows the State Treasurer to invest in equity securities and other types of investments.

In accordance with statutory provisions, this fund is to accumulate up to \$500 million in reserves for permanent investments. The amount accumulated toward this cap is shown as a reservation of fund balance. Investment earnings and one-third of royalty earnings are available for appropriation. Two-thirds of royalty earnings, less the portion transferred to the Michigan State Park Endowment Fund, are added to amounts held for permanent investments until the investment reserve reaches \$500 million. After that time, all royalties, less the portion transferred to the Michigan State Park Endowment Fund, are restricted for investment and only interest is available for appropriation. Appropriations are used to fund grants to local units of government as well as State agencies to acquire land or develop public recreation facilities and to pay property taxes on state lands acquired by the fund.

### MICHIGAN STATE PARKS ENDOWMENT FUND

Established in 1994, this fund operates under Part 741 of P.A. 451 of 1994, as amended, to finance operations, maintenance, and capital improvements at Michigan State parks. The voters approved a constitutional amendment in August 2002 that changed the distribution formula and allows the State Treasurer to invest in equity securities and other types of investments.

The fund was established with a \$40 million transfer from the sale of the Accident Fund of Michigan to provide funds for permanent investment. By statute, up to \$10 million per year of revenues from oil and gas bonuses, rentals, and royalties from State-owned land are deposited into this fund until the Michigan Natural Resources Trust Fund reaches an accumulated principal of \$500 million after which time all revenue previously going to that fund will go to this fund. The fund's investment reserve will be capped at \$800 million. The legislature is limited to appropriating no more than 50% of the amount transferred from the Natural Resources Trust Fund plus interest and investment earnings. When the fund's reserve reaches \$800 million, only the interest and earnings in excess of the amount needed to maintain the \$800 million principal limit may be expended.

### MICHIGAN CIVILIAN CONSERVATION CORPS ENDOWMENT FUND

Public Act 394 of 1994, as amended, established this fund for the purpose of conserving, improving, and developing the State's natural resources, and for enhancing, preserving, and maintaining public lands and waters through the employment of residents of this State in work training programs.

Twenty million dollars earmarked from the sale of the Accident Fund of Michigan provided the fund's permanent investment reserve. Only the interest and earnings of the fund can be expended.

### MICHIGAN VETERANS' TRUST FUND

Public Act 9 of 1946 (First Extra Session) created this fund to finance programs to assist veterans and their beneficiaries. A seven-member board of trustees governs the fund. Resources are provided by investment and common cash earnings and by transfers from the General Fund. Expenditures and transfers out reflect grants to veterans and their widows or dependents, and administrative costs at both the State and local level. The fund is administered within the Department of Military and Veterans Affairs.

### CHILDREN'S TRUST FUND

Public Act 249 of 1982 established the Children's Trust Fund to support the State Child Abuse and Neglect Prevention Board. The Board was established under P.A. 250 of 1982 to coordinate and fund activities for the prevention of child abuse and neglect in the State.

Public Act 291 of 2000 provided for a transfer of \$13.1 million from the General Fund during fiscal year 1999-2000 to bring the fund's total assets to an amount exceeding \$20 million. Only the earnings credited to the fund are available for disbursement once the total assets of the fund exceed \$20 million corpus. Revenues are derived primarily from grants from the federal government, gifts and donations, and interest on investments.
